says bill ackman of pershing square capital management about the art of value investing i learned the investment business largely from the work and thinking of other investors the art of value investing is a thoughtfully organized compilation of some of the best investment insights i have ever read read this book with care it will be one of the highest return investments you will ever make based on interviews with the world s most successful value investors the art of value investing offers a comprehensive set of answers to the questions every equity money manager should have thought through clearly before holding himself or herself out as a worthy steward of other people s money what market inefficiencies will i try to exploit how will i generate ideas what will be my geographic focus what analytical edge will i hope to have what valuation methodologies will i use what time horizon will i typically employ how many stocks will i own how specifically will i decide to buy or sell will i hedge and how how will i keep my emotions from getting the best of me who should read the art of value investing it is as vital a resource for the just starting out investor as for the sophisticated professional one the former will find a comprehensive guidebook for defining a sound investment strategy from a to z the latter will find all aspects of his or her existing practice challenged or reconfirmed by the provocative thinking of their most successful peers it also is a must read for any investor

institutional or individual charged with choosing the best managers for the money they are allocating to equities choosing the right managers requires knowing all the right questions to ask as well as the answers worthy of respect and attention both of which are delivered in the art of value investing

a practical guide to making more informed investment decisions investors often buy or sell stocks too quickly when you base your purchase decisions on isolated facts and don't take the time to thoroughly understand the businesses you are buying stock price swings and third party opinion can lead to costly investment mistakes your decision making at this point becomes dangerous because it is dominated by emotions the investment checklist has been designed to help you develop an in depth research process from generating and researching investment ideas to assessing the quality of a business and its management team the purpose of the investment checklist is to help you implement a principled investing strategy through a series of checklists in it a thorough and comprehensive research process is made simpler through the use of straightforward checklists that will allow you to identify quality investment opportunities each chapter contains detailed demonstrations of how and where to find the information necessary to answer fundamental questions about investment opportunities real world examples of how investment managers and ceos apply these universal principles are also included and help bring the concepts to life these checklists will help you consider a fuller range of possibilities in your investment strategy enhance your ability to value your investments by giving you a holistic view of the business and each of its moving parts identify the risks you are taking and much more offers valuable insights into one of the most important aspects of successful investing in depth research written in an accessible style that allows aspiring investors to easily understand and apply the concepts covered discusses how to think through your investment decisions more carefully with the investment checklist you'll quickly be able to ascertain how well you understand your investments by the questions you are able to answer or not answer without making the costly mistakes that usually hinder other investors

warren buffett and his company berkshire hathaway are legendary for their distinctive investing approach yet many equally unconventional but less well known aspects of berkshire's managerial practices and organizational structure are rich with lessons for those seeking to follow in buffett's footsteps margin of trust is the first book to distill buffett's approach to management and corporate life it provides a definitive analysis of the tenets of the berkshire system its costs and benefits and how it can be adapted for other organizations lawrence a cunningham and stephanie cuba develop a new account of how berkshire hathaway works showing that the key to its success is trust profiling partnership practices and business methods they contend that berkshire's distinguishing feature is a culture in which autonomy and decentralization are core management principles cunningham and cuba provide instructive examples of how this model has been successfully adapted by other

companies that share a faith in trust as an organizing principle they also offer candid commentary on the risks of a trust based approach and how to mitigate them margin of trust features illuminating analysis of buffett s take on the role trust plays in business agreements what buffett looks for in great corporate boards and what lies ahead for berkshire after its iconic leader leaves the scene

the first chapter makes the case that warren buffett s berkshire hathaway although based in omaha has emerged as a truly international company chapter 2 explores buffett s extraordinary gift of the bulk of his fortune to the gates foundation chapter 3 reveals what gates gave buffett as a thank you surprisingly gates gave buffett a 1776 first edition of adam smith s wealth of nations and chapter 4 tells of buffett s purchase of iscar the precision tool company in israel and tracks buffett s visit to israel to visit iscar s facilities and to meet with the israeli prime minister also there are chapters among the 335 about buffett s wedding on his 76th birthday berkshire s stock price surpassing 100 000 and berkshire s bid to bail out the lloyd s of london names the fully revised book has more than 1 200 photos the back cover photo is of buffett and nba s lebron james amazon com

between 1885 and 1915 the village of giverny in france attracted more than 350 artists from at least eighteen countries around the world transforming from a sleepy community to a vibrant and important artists colony the presence of master impressionist painter claude monet who settled in the village in 1883 attracted these young artists but his presence does not solely explain giverny s popularity artists also sought the opportunity to combine the practice of plein air painting with an active social life and enjoyed the locale s picturesque features and easy proximity to paris many artists visited briefly while others purchased homes and studios making this norman village an artistic center
