a concise history of the japanese art of flower arranging with clear instructions for its adaptability to the modern american home

the word ikebana rings a bell for most but not many people can define it or grasp its essence exploring ikebana seeks to change this this book is a comprehensive introduction into the art and unveils some of the secrecy and philosophical ideas projected into this ancient japanese style of flower design a no nonsense but nonetheless respectful approach to the art that will demonstrate that ikebana arrangements are achievable for all after a thorough introductory chapter on materials the different schools techniques dos and don ts tools colours schemes and viewing angles this books presents arrangements in traditional and modern styles made with natural and contemporary materials every arrangement is richly illustrated with

detailed step by step photographs of the creative process making it easy for even the novice to follow and to come to a correct and enjoyable result and in the end enjoying the fleeting beauty of flowers to the fullest is what Ikebana is all about selling points the ancient art of Ikebana is still relatively unknown to many this book aims to change this and offers a brief introduction and fantastic try it yourself examples 200 colour illustrations

in this book basic principles of the art of Ikebana are explained suitable with the age group the beauty of nature and the importance of life are emphasized with Ikebana examples that children will try with pleasure

a modern approach to traditional Japanese floral design award winning flower designer Shinichi Nagatsuka explains how anyone can create beautiful arrangements using his signature n style method easy to follow it is based on accent lines rather than the complex system of rules used for traditional Ikebana accent lines are the natural shapes of the flowers themselves which means vertical arrangements require a different eye than horizontal or round ones for example by understanding how the shapes of flowers and plants affect your design you'll learn to choose just the right ones to achieve your desired look and feel with over 280 color photos and 42 projects modern Japanese Ikebana unlocks the mysteries of the art of Ikebana by following the n style method you can bring a natural flow to your arrangements achieving balance and an overall harmony of design

excerpt from Japanese flower arrangement Ikebana applied to western needs I am confident that a recognition of the beauty of a few flowers naturally arranged will bring flowers more into general use by those who have hitherto felt that quantity was necessary to produce any pleasing effect if we would but profit by what the Japanese have to teach us no one who loves and longs for flowers need be without one or two to give suggestion of nature's wealth of beauty even one spray of green can suggest the freshness of growing things which is so often shut out from our city lives while our masses of roses and violets suggest only the hot house and are out of the reach of many who could have a few flowers about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
